### Access Analytic's Lunch & Learn Series:

## Excel 2007 ... Licensed to Thrill

### 7 ways to Spice-up your Spreadsheets!

In the latest version of Excel, there are a lot of useful, new gadgets that can make your spreadsheets almost as slick as an Aston Martin!

These things can make your presentations and reports not only look better, but also add clarity and confidence to your communication!

Come along to our Lunch and Learn Event to see:

1. Powerful new visualisations for any sized data set that help you quickly identify anomalies and the key items of interest.
2. Time-saving ways to keep formulas and beautiful formatting consistent in large tables of data ... with just two clicks!
3. How to quickly and easily get magazine-quality charts.
4. Creative new diagram tools that WOW your audience!
5. How you can benefit from Excel's most powerful, yet underutilised, data analysis and visualisation tool.
6. How to create slick summaries with almost no effort.
7. Secrets the experts use to do 30% more in less time.
