### Access Analytic's Lunch & Learn Series:

## I Never Knew Excel<sup>®</sup> could do THAT!

### What your Unknown Unknowns can do for you!

There's an incredibly powerful program that has the potential to make your life a whole lot easier. It has the ability to turn boring data into incredibly useful, **interactive analyses**; give you the **visualisations** you need to make decisions; plus **save a ton of your time** ... and it's sitting right under your nose, right now! What is it?

### Microsoft Excel<sup>®</sup>!

Think you know what Excel<sup>®</sup> can do? **Maybe there's more!** Come along to this Lunch and Learn event and you'll really see the things this program could do for you in the hands of a true expert!

- Cut data entry time and reduce errors
- Automate processes and save time
- Visualise answers
- ... plus loads more tips, tricks and techniques!

### Who Should Attend?

This event will provide a plain-English, non-technical overview of many great ideas and concepts. It's perfect for all business people.

So long as you know your rows from your columns, you'll come away buzzing with ideas about what Excel<sup>®</sup> can do for you!
